NP Caring and Sharing

NP Caring and Sharing is a program developed to help provide New Prairie families with the basic needs for their children.

It's that time of year when parents/guardians begin thinking about the holidays and buying Christmas presents for their children. It's also the time of the year for our thoughts to focus on our annual Christmas Care and Share. As in the past, we have been approached by some local businesses, groups, and individuals who would like to help our families. They realize that the unemployment rate, the state of the economy, and the high price of gas make it difficult for many to provide basic needs for their family.

We collect basic needs items such as tooth brushes, tooth paste, hairbrushes, clothing, shoes, boots, coats, hats and gloves. This is a confidential program. Families in need are assigned a case number, no names are given out to sponsors.

Last year approximately 300 kids benefited from this project just in time for Christmas. Thank you to everyone who helped!

If you know of a family in need or would like to sponsor a child, children or even a family, please feel free to contact Mrs. Bealor at 219-778-9388 or 574-654-7258.

We also accept monetary donation and we will shop for children in need. We have kids available today!

There is no set money amount one has to spend, it is whatever your budget allows. We ask that all unwrapped items be dropped off to Prairie View by Dec 2nd. Please include case number, gender and age.

Thank you in advance for helping make Christmas special for our kids.

Sincerely,

Mrs. Jane Bealor
