NP Caring & Sharing - serves our New Prairie Families

It's that time of year when parents begin thinking about the holidays and buying Christmas presents for their children. It's also the time of the year for our thoughts to focus on our annual Christmas Caring and Sharing. As in the past, we have been approached by some local businesses, groups, and individuals who would like to help our families in need. They realize that the unemployment rate, the state of the economy, and the high price of gas make it difficult for many to provide their families with the gifts and extras that they have had in the past.

If you need some assistance or know of someone who needs help over the holidays, please feel free to contact the school office to get a form sent home. Complete the form and return it to the school office. This program is confidential. With the increase in demand the past couple of years we can only guarantee 1 gift per child. The following information may help you decide...

Your child or family will be assigned a case number to ensure confidentiality.

- Your child's gender, age, gift suggestions, likes (team, color, Disney character, etc.) will be given to the individual, group, or business. No names will be released.
- The gift will be bought and returned to the school. Gifts are placed in black bags with your case number attached.
- Your child never needs to know the gift came from any source other than you or Santa. That is your decision to make.

There is also a space on the form for you to indicate if you would like us to release your name and address to the Lions Club or Delta Theta Tau Sorority so that they can deliver to you a holiday food basket.

If you have any questions, **need assistance** or **you would like to sponsor a child or family**, please contact the school at 219-778-9388 or 574-654-7258 and speak to Mrs. Bernth or Mrs. Bealor.

The 12th Annual William D. Sales Memorial FREE Thanksgiving Dinner
